

THORNTON IN CRAVEN

COMMUNITY PRIMARY SCHOOL

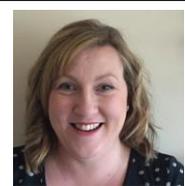

Parent and Teacher Association (PTA)

The PTA is fundamentally important to the school, the staff, its pupils and the parents. It gives the parents a voice and means of supporting the school. As a school we value the input and the assistance of the PTA and the amazing job they do in the development of our school community.

Meet the team

Sarah Haworth - Chair

Wendy Duffy - Secretary

Anne Acornley - Finance

What does the money raise pay for?

The PTA helps the school pay for annual events, like the coach for the residential, the Christmas disco and the Leaver's hoodies. However, the PTA also support us for BIG purchases which the children really need, e.g. the school laptops.

What does the PTA do?

The PTA organises and hosts events for the school and the school community. Sometimes these events raise money for the school, enabling us to buy resources or special activities for the children. Although sometimes, they are just for fun! The PTA also look for alternative ideas for fundraising, e.g. using commission on everyday sale items.

We always need to ideas and suggestions!

How can I help?

Two heads are better than one!

The PTA always welcomes new people. No big tasks are given to anyone and usually just a sharing of ideas is what happens at the meetings. Our meetings are very flexible and happen at different times over the year, usually in school so your children can come too.

Helping out at events or attending meetings is also a really good way to meet everyone and make some new friends.

Where can I find more information?

Why not try joining our Thornton-in-Craven PTA Facebook page. This is a brilliant way of finding out about upcoming events or sharing ideas if you can't make it to the meetings.

What are we raising money for now?

Outdoor play provision for Early Years and the school field. Blinds, lighting and sound equipment for the hall.
