Whole school Easter service at School – 2.30pm

### Headteacher's Message

Science week has been a fantastic week. Children, their families and staff have really embraced this and produced excellent, engaging science work. This has produced a science fair and school displays of exceptional quality. Each science project from home has helped us all to learn something new. In lessons, children have been motivated and engaged and it has allowed us to demonstrate the cross-curricular nature of science. It is easy to deliver science through all other curriculum areas and vice-versa. Pictures from science week are on the next two pages. Thank you to everyone for their enthusiasm and help.

### Pi Day at West Craven High School

Some of our Y4 were invited to West Craven High school for Pi Day on Wednesday. This event allows pupils to have the opportunity to take part in Mathematical activities whilst developing teamwork and communication skills. They had a fantastic morning and they represented our school brilliantly.

### Village Tidy Sunday 25<sup>th</sup> March

The Parish council try to gather a group of volunteers once a year before Easter to pick up litter/debris and remove the dirt/leaves/twigs etc that have accumulated in the typical places.

Can you spare a little of your time on Sunday 25th March to help tidy your village? Meet at the Village Hall at 10.30am. We'll only tidy within the village, ie. within the 30mph limit. They have litter pickers, bags and high viz vests, but you will need shovels and brooms. If you can help please email [clerk@thorntonincraven.co.uk](mailto:clerk@thorntonincraven.co.uk) with your name and if you have particular area you would like to tidy, as this will help us organise. Many hands make light work! Thank you.

This is just a small section of the fantastic science that has taken place this week

**Whole school assembly with Dr Hudson**

**Computer science with Mrs Lofthouse from SGHS**

**CSI Duffy - fingerprinting**

Dr Hudson - finding out more about being a doctor.

And a bit of everything else!
