

THORNTON IN CRAVEN

COMMUNITY PRIMARY SCHOOL

Dates for your diary

Friday 19.07.19 – Break up for Summer

Tuesday 03.09.19 – Return to school

Headteacher's Message

This will be the last newsletter of the 2018/19 academic year.

We say goodbye to a fantastic Y6. In the words of their leavers song "they've come a long way..." They have been a close knit group and they have worked hard throughout their time here.

I want to take the opportunity to thank the very hardworking staff across the school. They have provided many extra-curricular opportunities such as clubs, trips, residential and sporting events this year alongside supporting the pupils academically. It is the team that keeps the school going.

I hope everybody has a fantastic Summer break. We will see you back at school on Tuesday 3rd September.

PE Bags in September

Could we request that children's PE kit comes into school in a drawstring PE bag next year please. Large bags are very bulky and won't fit on pegs which means we have very untidy, cluttered cloakrooms. Drawstring PE bags will fit. Thank you.

Also a reminder that children will require **full uniform including black school shoes** in September please.

Class 1

Class one enjoyed their trip to Harlow Carr where we completed pond dipping and a mini beast hunt. We then wrote recounts of our trip. Here are some pictures:

Class 2

While the staff carry on working their way through all the leftover French cheese, the children baked baguettes on Monday. They worked extremely well in groups measuring out the ingredients, mixing and then kneading the dough. The end result was very successful and the children then made these into sandwiches. They had the choice of ham, cheese or salami (or a mix of these). They drew their sandwiches and labelled them in French. We have also enjoyed our swimming gala on Monday doing back stroke and front stroke lengths in races as teams. We have really improved over the last eight weeks. We really enjoyed sports day and watching the Year 6 leavers' service today.

Class 3

We have had a busy last week in class 3. We listened to the poem the sound collector by Roger McGough, and drew a portrait of what we thought the sound collector would look like. The year 5s made certificates for the year 6 leavers' assembly and the year 6 practiced their memories and songs. We also looked at irregular and irregular 2D shapes and completed magic number squares. Inspired by our ancient Greek topic we also designed and made our own Greek mosaics, they look fantastic and the children all came up with unique designs including excellent detail. We all enjoyed sports day and participated with enthusiasm and cooperation. The year 6 have enjoyed signing shirts and their leavers' lunch.

This week in After-School club:

We have made the most of the sunshine and enjoyed playing out. In our baking session, we made fudge. We hope everyone has a lovely summer break.
